## Objectives

### Objectives

The call aims to facilitate and strengthen collaboration between the Climate Adaptation and Disaster Risk Management communities at European, national, and regional levels. The primary objective is to develop inter- and transdisciplinary approaches for addressing climate adaptation and disaster preparedness, in support of the EU Mission on Adaptation

to Climate Change, the Preparedness Union Strategy, and the upcoming European Climate Adaptation Plan. Eligible applicants include consortia of organizations such as academic institutions, research centers, public authorities, and other stakeholders with relevant expertise.

### **Funding**

The total budget for this call is €5,000,000, with an expected individual EU contribution per project around this figure. Lump sum grants will be provided as per Horizon lump sum rules. The maximum co-funding rate follows Horizon Europe Coordination and Support Actions (CSA) rules, which allow up to 100% funding of eligible costs for all beneficiaries. Only one project is expected to be funded under this topic. There are no explicit minimum or maximum project value limits apart from the suggested EU contribution, and applicants must adhere to financial and operational capacity requirements.
