DESCRIÇÃO

Objectives

This call aims to enhance multi-level governance and stakeholder engagement in the global circular bio-based economy, supporting the EU Green Deal and international climate and biodiversity targets. The focus is on fostering international cooperation, particularly with South Africa, Latin America, and the Caribbean, to identify win-win opportunities in sustainable and fair bio-based innovation. Eligible applicants include consortia of legal entities from EU Member States, Associated Countries, and, in exceptional cases, non-associated third countries. The call encourages the involvement of social sciences and humanities disciplines and seeks to build trust and inclusivity among stakeholders, including industry, international organizations, and civil society.

Funding

The call provides a single Coordination and Support Action (CSA) grant with a lump sum contribution of 3000000 euros. The funding rate is up to 100% of eligible costs. The total topic budget is 3.000.000 EUR, and only one grant is expected to be awarded under this call.
