Obiettivi

Objectives

This funding opportunity is available under the Horizon Europe Programme. The main objectives are to support collaborative research and innovation actions under the European Union framework, specifically focusing on cross-sectoral and multi-stakeholder engagement. Eligible applicants can include research organizations, higher education institutions, public bodies, private enterprises, SMEs, and other entities established in EU Member States or associated countries.

Funding

Projects are generally co-financed up to a set percentage of eligible costs, with the maximum funding rate often reaching up to 100% for research activities and varying for innovation actions and commercial partners. Budget limits, minimum or maximum grant amounts, and overall available funding are specified in the formal call documentation. Applicants are encouraged to review the official portal for specific financial figures relevant to this topic.
