DESCRIZIONE

Objectives

The call provides Proof of Market support to spin-offs, startups and SMEs seeking to transform existing research outcomes into marketable products, services or business opportunities. The objective is to accelerate the transfer of European research results to the market, strengthen innovation-based entrepreneurship, and increase the economic and societal impact of publicly funded R&I investments.

Funding

The topic is funded as a Horizon Europe Innovation Action (IA) with a total indicative budget of €5 million . The European Commission expects to fund approximately 25 projects , with an indicative contribution of €200,000 per project . Funding is intended for small consortia, including spin-offs, startups and SMEs, and is provided under the Horizon Europe lump-sum funding model.
