Obiettivi

Objectives

This incentive aims to strengthen Europe's capacity to create and scale globally competitive startups, boost the market reach and competitive capacity of European startups and scaleups, focusing on strategic digital and deep

tech innovation fields such as Artificial Intelligence, Advanced Computing, Cybersecurity, Next Generation Internet, Blockchain, Internet of Things, Metaverse, Energy, Greentech, AgriTech, and Fintech. Its objective is to interconnect local digital, deep tech, and manufacturing ecosystems and promote cross-border acceleration for startups and scaleups that have demonstrated product-market fit or acquired seed or later-stage funding. Target entities include startups and scaleups from moderate or emerging innovator countries and regions, as well as women-led companies.

Funding

The co-financing rate follows Horizon Europe CSA rules, permitting up to 100% funding of eligible costs under the lump sum model. For each funded project, the indicative EU contribution is approximately EUR 2,000,000, with an indicative number of 9 projects to be supported. Third parties can receive maximum EUR 60,000 per subgrant within funded actions.
